

The New Grosvenor Tenants Association

**New Neighbors,
New Energy!**

**Your
Tenants Association
*Reimagined***

We're not your typical tenants association anymore.

Gone are the days of just addressing grievances.

Today, we're all about creating connections, building community — having fun!

Join us as we transform our building into a true neighborhood:

- Monthly (or so) meet-and-greets to connect with the faces behind the doors
- Community service projects like food drives
- Fun events including trivia nights, potlucks, and more!

Be part of something new.

Watch this space for info regarding our first meetup!

A note from your neighbor:

Hi! Kenn from the 8th floor, here, stepping up as unofficial point person to get things started.

Can't wait to meet you and hear your ideas! Questions? Call, email or text!
